

e-Safety Education and Programming Implementation Strategy Options GOLD Subscription

i-SAFE e-Safety curriculum is typically comprehensive and provides a unique approach to Internet safety education by meaningfully integrating the elements of current research and current best practices in pedagogy and instructional design with pertinent e-Safety topics. This curricular design is further enhanced with:

- 1) Flexible options to accommodate different classroom environments;
- 2) Lessons and activities targeting a variety of learning modalities to effectively reach all learners; and
- 3) Materials that can be integrated appropriately in a cross-curricular manner.

Other benefits of i-SAFE's e-Safety instructional materials include:

- 1) A library of 281 lessons across all pre-primary through secondary grade levels:
 - a. 71 e-Safety lessons for E-Rate Subscribers
 - b. 210 e-Safety lessons for SILVER Subscribers
 - c. 281 e-Safety lessons for GOLD Subscribers
- 2) Curricula can be scaffolded from year-to-year at each grade level, and
- 3) Lessons offer more options with additional materials such as:
 - a. PowerPoint presentations
 - b. Related HTML activities
 - c. Video Webcasts
 - d. Corresponding teacher resource newsletters

Curriculum lessons cover e-Safety basics (e.g., personal safety and cyber citizenship) as well as current issues and trends (e.g., social networking, cyber harassment, mobile phone use, etc.). Each lesson stresses empowerment and enrichment opportunities with a full range of support materials to enable successful completion. For purposes of thematic/topical alignment, curriculum lessons have been arranged into the following "modules":

Code	MODULE	Available for ages (grades)
CCC	Cyber Community Citizenship	Ages 5–17 (US grades K-12)
PSO	Personal Safety Online	Ages 5–17 (US grades K-12)
CS	Cyber Security	Ages 5–17 (US grades K-12)
CPI	Cyber Predator Identification	Ages 8–17 (US grades 3-12)
IP	Intellectual Property	Ages 8–17 (US grades 3-12)
DL	Digital Literacy	Ages 10–17 (US grades 5-12)
OER	Outreach, Empowerment, Review	Ages 10–17 (US grades 5-12)
ER	E-Rate (<i>has 3 sub-topic modules</i>):	Ages 5–17 (US grades K-12)

AOB = Appropriate Online Behavior
CB = Cyber Bullying
SN = Social Networking and Chat Rooms

NOTE: The topical “modules” are intended to assist educators in creating a program of instruction that best suits the needs of each unique class. Therefore, the sequence of lessons is not critical. However, it is recommended that the early elementary grades be presented and taught the lessons and activities in the Cyber Community Citizenship (CCC) module first to provide a better basis of understanding of the abstract concept of Cyberspace.

The complete library of e-Safety curriculum lessons, including short lesson content descriptions, is presented in “Schedule A” of your “Subscription & License Agreement” and in the “e-Safety Curriculum SCOPE 2010-2011” document.

Because districts, schools, classrooms and students are unique and have different needs, the Implementation Strategy Options (for each grade level) presented in this document are suggestions that are offered and intended to help you design your own strategy/plan for implementing Internet safety education.

In most cases, there are more e-Safety curriculum lessons available for each grade level than can be taught in any single academic period (i.e., quarter or semester or year). The large number of lesson options enables you to plan and coordinate with other teachers to ensure that lessons taught at one grade level are not redundantly taught in the next higher grade level.

This is how you begin to develop your e-Safety education Implementation Strategy:

- STEP #1:** Decide how many hours of class time (i.e., for each grade level) will be dedicated to e-Safety education lessons during each school semester or quarter or year; then
- STEP #2:** For each grade level, find/select the strategy OPTION that corresponds to the number of classroom hours you identified in STEP #1; then
- STEP #3:** Select the specific e-Safety topic lessons that will be taught during class hours you determined for each grade level from among those in the in the E-Rate Module (i.e., AOB, CB and SN categories) and also from among those in the CCC, PSO, CS, CPI, IP, DL and OER modules.

Implementation Strategy Options – Kindergarten

E-Rate e-Safety Lessons (5):

- Grade K Learn about Online Personal Safety Basics – AOB
 - Grade K Identity Basics – AOB
 - Online Behavior with Netiquette – AOB
 - Super Cyber Buddies – CB
 - Basic Concepts of Online Socializing – SN
-

e-Safety Lessons (7):

- The Cyber Community – CCC
- Personal Information – PSO
- **Acceptable Use Policies UNIT:** (3 activities)
 - Activity 1 – Create a Poster – PSO
 - Activity 2 – Create a Brochure – PSO
 - Activity 3 – Create a Pledge – PSO
- Grade K Cyber Security – CS
- Build A Bulletin Board About Cyber Security – CS

 - Online Strangers, Predators, and Grooming Process – AOB
 - Grade 7 Online Personal Safety Review and Action – AOB
- **Thinking Things Through Series: (2 lessons)**
 - Video Sharing – AOB
 - Online Friending – AOB
- Safe Web Site Design – SN
- Social Networking and Intellectual Property – SN
- Social Networking In Online Communities – SN
- **UNIT Identity Safety: (3 lessons with guide)**
 - Forming An Identity Online – SN –
 - When Online Identity Mistakes Are Safety Risks – SN
 - From Identity Mistakes to Security Risks – SN
- Web Logs: A Positive Approach to Blogging – SN
- Cyber Safety and Photo Management – SN
- Safeguards in Social Networking for School-age Children: Alternatives to Facebook – SN
- A Web 2.0 World – SN
- Your Digital Footprint – SN
- Video Webcast lesson – Cyber Harassment: Online Bullying and Stalking – CB

e-Safety Lessons (69):

- Cyber Community Citizenship – CCC
- Negative Networking: A Look at Gangs Online – CCC
- **UNIT: Our Cultural Awareness Series 1: Hawaii: (3 lessons)**
 - Hawaii Cultural 1 – Our Cultural Awareness and Cyber Safety Issues of Respect – Ho’ihi – CCC
 - Hawaii Cultural 2 – Our Cultural Awareness and Cyber Safety Worlds of Friendship – CCC
 - Hawaii Cultural 3 – Our Cultural Awareness and Cyber Safety Making Connections – CCC
- Roles on the Internet – CCC
- Safety In Online Gaming – CCC
- Textiquette Basics – CCC
- Online Shopping Risks – PSO
- **Substance Abuse Issues In An Online Culture (Workbook): (7 lessons)**
 - Understanding Substance Abuse Concerns – PSO
 - Sorting It Out: Misuse of Prescription Drugs and OTCs – PSO
 - Medical and Pharmaceutical Information Online – PSO
 - Peer Pressure Online – PSO
 - Online Advertising – PSO
 - The Online Drug Culture and Social Networking – PSO
 - Enrichment Activity – Wrap It Up! – PSO
- **Digital Age Health Issues Mini-Lesson Series: (7 lessons)**
 - Vision-Related Problems – PSO
 - Headaches and Seizures – PSO
 - Musculoskeletal Problems – PSO
 - Sleep Problems, Münchhausen – PSO
 - Syndrome by Interne – PSO
 - Cyberchondria – Internet-Induced Health Anxiety – PSO
 - Addiction, Anxiety and Depression – PSO

Cell Phone UNIT: (7 lessons)

- Cell Phone Basics – PSO
- Cell Phone Safety – Text Messaging – PSO
- Cell Phone Safety – Cell Phone Photos/Sexting – PSO
- Cell Phone Safety – Harassment – PSO
- Cell Phones and Mobility – PSO
- Cell Phones and School – School Considerations/Cheating – PSO
- Wrap up and Review – PSO

Acceptable Use Policies UNIT: (2 lessons)

- Know Your Code of Conduct – PSO
- Learn About Acceptable Use Policies (AUP) – PSO
- Legal Trends in Cyber Safety and Security – PSO
- Examining the Risks: “Willing Participation” – PSO
- Advanced Textiquette: Twitter Safety Strategies – PSO

Cyber Security UNIT: (5 lessons)

- Malware Issues – CS
- Acceptable Use Policies – CS
- Risks of Spyware – CS
- National Student Watch – CS
- Cyber Security Review PowerPoint – CS
- Computer Security – Virus Recognition and Action – CS

Grade 7 Intellectual Property Basics UNIT – Featuring Donny the Downloader: (6 lessons)

- Understanding Intellectual Property – IP
- Music Copyright In the Digital Age – IP
- Plagiarism and the World Wide Web – IP
- Peer-to-Peer Networking – IP
- Let’s Talk About Intellectual Property (Review PowerPoint Lesson with Donny the Downloader) – IP
- Donny the Downloader on All About Piracy PowerPoint Lesson – IP
- Grade 7 Identifying Online Predators – CPI
- Avoiding Online Predators – CPI
- Developing Online Predator Awareness –CPI
- Current Events: Media and Society – DL
- Introduction to Media Literacy – DL
- The Power of Media – DL
- Web Site Validity and Reliability – DL
- Responsibility In A Digital Literacy World – DL
- Integrated Literacy: Internet Safety Focus Cyber Harassment – OER

Integrated Math and Internet Safety UNIT: (4 lessons)

- Introduction to Graphing with Internet Safety – OER
- More Graphing with Internet Safety – OER
- Survey and Statistics with Internet Safety – OER
- Statistics and Algebraic Equations with Internet Safety – OER
- Youth Empowerment Resources – OER

Service Learning Curriculum: (8 lessons)

- Public Service Announcements – OER
- Student Assembly Experience – OER
- Community Leaders Meeting – OER
- Brochure Creation/Distribution – OER
- Orientation Presentation – OER
- i-PARENT Presentation – OER
- Library Safe Card Program – OER
- Community Posters – OER

<u>Lesson Type</u>	<u>Implementation Strategy Options – GRADE 7</u>	<u>Lessons Taught</u>
--------------------	--------------------------------------------------	-----------------------

E-Rate	#1-Teach 1 CB, 1 AOB and 1 SN lesson	3
	#2-Teach 1 CB, 1 AOB and 1 SN lesson <u>PLUS</u> 1-3 other lessons	4-6
	#3-Teach 1 CB and 1 SN lesson <u>PLUS</u> the Online Personal Safety Unit	7
	#4-Teach 1 CB lesson, the Online Personal Safety UNIT <u>PLUS</u> any 2 SN lessons	8
	#5-Teach 1-2 CB lessons, the Online Personal Safety Unit <u>PLUS</u> the Identity Safety UNIT	9-10
	#6-Teach 2 CB lessons, the Online Personal Safety Unit <u>PLUS</u> any 4-7 SN lessons	11-14
	#7-Teach 2 CB lessons, the Online Personal Safety Unit <u>PLUS</u> any 8-11 SN lessons	15-18

ALSO TEACH ANY PORTION OF ONE OF THE FOLLOWING OPTIONS:

e-Safety	#1-Teach 1 CCC and 1 CS and 1 CPI lesson	3
	#2-Teach 1 CCC, 1 PSO, 1 CS and 1 CPI lesson	4
	#3-Teach 1 CCC, 1 PSO, 1 CS, 1 CPI and 1 DL lesson	5
	#4-Teach 1-2 CCC, 1 PSO, 1 CS, 1 CPI; 1 DL and 1 OER lesson	6-7
	#5-Teach any 8-10 (CCC, PSO, CS, CPI, DL, OER) lessons	8-10

OR CONSIDER TEACHING ANY OF THE FOLLOWING FOCUS TOPIC OPTIONS:

PSO FOCUS – Substance Abuse

#6-Teach the “Substance Abuse Issues In An Online Culture” lessons (7) <u>PLUS</u> any 3 (CCC, PSO, CS, CPI, DL, OER) lessons	10
-------------------------------------------------------------------------------------------------------------------------------	----

PSO FOCUS – Cell Phones

#7-Teach the “Cell Phone UNIT” lessons (7) <u>PLUS</u> any 3 (CCC, PSO, CS, CPI, DL, OER) lessons	10
---------------------------------------------------------------------------------------------------	----

CS FOCUS – Cyber Security

#8-Teach the “Cyber Security UNIT” lessons (5) <u>PLUS</u> any 5 (CCC, PSO, CPI, DL, OER) lessons	10
---------------------------------------------------------------------------------------------------	----

IP FOCUS – Intellectual Property

#9-Teach the “Grade 7 Intellectual Property Basics UNIT” lessons (6) <u>PLUS</u> any 4 (CCC, PSO, CS, CPI, DL, OER) lessons	10
-----------------------------------------------------------------------------------------------------------------------------	----

DL FOCUS – Digital Literacy

#10-Teach all 5 DL lessons <u>PLUS</u> any 5 (CCC, PSO, CS, CPI, OER) lessons	10
-------------------------------------------------------------------------------	----

OER FOCUS – Integrated Math and Internet Safety

#11-Teach the “Integrated Math and Internet Safety UNIT” lessons (4) <u>PLUS</u> any 6 (CCC, PSO, CS, CPI, DL) lessons	10
------------------------------------------------------------------------------------------------------------------------	----

OER FOCUS – Service Learning

#12-Teach the “Service Learning Curriculum” lessons (8) <u>PLUS</u> any 3-7 (CCC, PSO, CS, CPI, DL) lessons	11-15
-------------------------------------------------------------------------------------------------------------	-------

Code	MODULE Topics
CCC	Cyber Community Citizenship
PSO	Personal Safety Online
CS	Cyber Security

CPI Cyber Predator Identification
IP Intellectual Property
DL Digital Literacy
OER Outreach, Empowerment, Review

Implementation Strategy Options – Grade 8

E-Rate Lessons (19):

- Grade 8 Cyber Bullying – CB
 - **Grade 8 Personal Safety UNIT:** (4 lessons)
 - Your Online Safety: Understanding the Issues – AOB
 - Proactive Protection Online – AOB
 - Online Issues: Bullies and Predators – AOB
 - Grade 8 Online Personal Safety Review and Action – AOB
 - **Thinking Things Through Series:** (2 lessons)
 - Video Sharing – AOB
 - Online Friending – AOB
 - Understanding Social Networking “Terms of Use” and Intellectual Property Rights – SN
 - Safe Web Site Design – SN
 - Social Networking In Online Communities – SN
 - **UNIT Identity Safety:** (3 lessons with guide)
 - Forming An Identity Online – SN –
 - When Online Identity Mistakes Are Safety Risks – SN
 - From Identity Mistakes to Security Risks – SN
 - Web Logs: A Positive Approach to Blogging – SN
 - Cyber Safety and Photo Management – SN
 - Safeguards in Social Networking for School-age Children: Alternatives to Facebook – SN
 - A Web 2.0 World – SN
 - Your Digital Footprint – SN
 - Video Webcast lesson – Cyber Harassment: Online Bullying and Stalking – CB
-

e-Safety Lessons (75):

- Citizenship in the Cyber Community – CCC
- Negative Networking: A Look at Gangs Online – CCC
- **UNIT: Our Cultural Awareness Series 1: Hawaii:** (3 lessons)
 - Hawaii Cultural 1 – Our Cultural Awareness and Cyber Safety Issues of Respect – Ho’ihi – CCC
 - Hawaii Cultural 2 – Our Cultural Awareness and Cyber Safety Worlds of Friendship – CCC
 - Hawaii Cultural 3 – Our Cultural Awareness and Cyber Safety Making Connections – CCC
- Roles on the Internet – CCC
- Safety In Online Gaming – CCC
- Online Shopping Risks – PSO
- **Substance Abuse Issues In An Online Culture (Workbook):** (7 lessons)
 - Understanding Substance Abuse Concerns – PSO
 - Sorting It Out: Misuse of Prescription Drugs and OTCs – PSO
 - Medical and Pharmaceutical Information Online – PSO
 - Peer Pressure Online – PSO
 - Online Advertising – PSO
 - The Online Drug Culture and Social Networking – PSO
 - Enrichment Activity – Wrap It Up! – PSO
- **Digital Age Health Issues Mini-Lesson Series:** (7 lessons)
 - Vision-Related Problems – PSO
 - Headaches and Seizures – PSO
 - Musculoskeletal Problems – PSO
 - Sleep Problems, Münchausen – PSO
 - Syndrome by Interne – PSO
 - Cyberchondria – Internet-Induced Health Anxiety – PSO
 - Addiction, Anxiety and Depression – PSO
- **Cell Phone UNIT:** (7 lessons)
 - Cell Phone Basics – PSO
 - Cell Phone Safety – Text Messaging – PSO

Acceptable Use Policies UNIT: (2 lessons)

- Know Your Code of Conduct – PSO
- Learn About Acceptable Use Policies (AUP) – PSO
- Legal Trends in Cyber Safety and Security – PSO
- Examining the Risks: “Willing Participation” – PSO
- Advanced Textiquette: Twitter Safety Strategies – PSO

Cyber Security UNIT: (5 lessons)

- Point of Attack – Malware – CS
- Security Risks of P2P File Sharing – CS
- Homeland Security – CS
- National Student Watch – CS
- Cyber Security Review PowerPoint – CS
- Spyware Risks – CS
- Homeland Security – CS
- Computer Security – Virus Recognition and Action – CS

Grade 8 Intellectual Property Basics UNIT – Featuring Donny the Downloader: (7 lessons)

- Creation and Copyright – CPI
- Plagiarism and the World Wide Web – CPI
- Peer-to-Peer Networking – CPI
- Learn IT Before You Burn IT – CPI
- Mock Trial Lesson and Activity – CPI
- Let’s Talk About Intellectual Property (Review PowerPoint Lesson with Donny the Downloader) – CPI
- Donny the Downloader on All About Piracy PowerPoint Lesson – CPI
- Grade 8 Identifying Online Predators – CPI
- Avoiding Online Predators – CPI
- Developing Online Predator Awareness – CPI
- Current Events: Media and Society – DL
- Introduction to Media Literacy – DL
- The Power of Media – DL
- Web Site Validity and Reliability – DL
- Responsibility In A Digital Literacy World – DL

Social Networking Privacy and Sharing How-Tos Mini-Lesson Series: (4 lessons)

- Exploring Privacy Settings
- Default vs. Customized Settings
- Facial Recognition
- Photo Tagging and Privacy
- Integrated Literacy: Internet Safety Focus Personal Information – OER

Integrated Math and Internet Safety UNIT: (4 lessons)

- Introduction to Graphing with Internet Safety – OER
- More Graphing with Internet Safety – OER
- Survey and Statistics with Internet Safety – OER
- Statistics and Algebraic Equations with Internet Safety – OER
- Youth Empowerment Resources (3 Items counted as one lesson) – OER

Service Learning Curriculum: (8 lessons)

- Public Service Announcements – OER
- Student Assembly Experience – OER
- Community Leaders Meeting – OER
- Brochure Creation/Distribution – OER
- Orientation Presentation – OER
- i-PARENT Presentation – OER
